Metzler to Present to Microsoft Project Association

CHARLOTTE – Bob Metzler, a director and senior consultant with Project Managers, Inc. <www.projectmgrs.com> will present “Making Projects Work for You – From the Business Side” to the Microsoft Project Association on Thursday, November 1, 2007.

About the Speaker:

Bob Metzler has over 30 years experience in program/project management and 10 years experience in operational management. He has led multiple cross-functional, high stakes initiatives for clients in the following industries: financial, insurance, utilities, government and technology.

Project Managers, Inc., founded in 1998, provides interim program/project managers and advisory services to the Fortune 1000. We specialize in delivering high-profile, cross-functional initiatives that forward our clients' business.
